Lily,
I do have one more follow-up. Can you send me a short quote that I can share in my story about what it meant to you and the staff to have the President return and also what he had for dinner.

Hi Lili,
I hope all is well. Can you do do a quick interview this week about the President's visit to Trump National. I've interviewed the Mayor and council members and it would be great to have you in the story. The segment will run in the show Maria and I co-host called STUDIO RPV. Let me know your availability.
Thanks,
Liz
